

English- The Worst Witch

Instructions-

Explore the features of an instruction text, the need for clear, specific and chronological instructions. Children to write their own instructions about how to make a potion.

Recounts-

Explore different types of recounts. Children to write diary entries of Mildred Hubble's first day at Cackle's Academy.

English- Harry Potter and the Philosopher's Stone.

Persuasive Writing-

Explore the features of persuasive writing. Write a persuasive letter persuading the Dursleys to let Harry go to Hogwarts.

Character and setting description- 1 week

Explore the use of adjectives, similes, metaphors and other figurative language.

Narrative writing-

Children plan, draft and write alternative first chapter of Harry and the Philosopher's Stone.

Computing

E-Safety

Understand the language of coding and programming. Learning about algorithms and de-bugging.

Create a journey (maze) using scratch of Cackle's Academy.

Art

Portraits-

Research the work of an artist and use their work to replicate a style. Look at facial expressions and body language in sketches and paintings.

Clay modelling-

Design, make and evaluate monster/creature to guard the Philosophers Stone.

Magic Tricks

Properties of Matter

Maths

Number and place value-

Counting in multiples of 6,7,9,25 and 1000. Find 1000 more or less than a number. Count backwards through zero. Recognise the place value in a 4 digit number. Round any number to nearest 10, 100 and 1000. Read Roman numerals.

Addition and Subtraction-

Add and subtract numbers with up to 4 digits using a written method. Estimate and use inverse to check answers. Solve a range of problems based on place value and addition and subtraction.

Science

States of Matter: Group materials based on their state of matter (solid, liquid, gas). Describe how some materials can change state. Explore how materials change state.

Forces:

Games

Learning the importance of warming up before physical activity. Children will develop the skills for Rugby, Football, Netball and Hockey.

Music

Listening to the music by ABBA. Learning how to sing 'Mamma Mia'. Learning how to find and hold the pulse. Using instruments along with the pulse of the song.
