

Hook in

Reveal a section of a map at a time to children.

In teams they have to recreate the map as accurately as possible

Art

Contour models

Creating an interactive map using different mediums

Geography

Mapwork

I can use OS symbols and 6 figure grid references.

I can answer questions using a map.

Geographical skills and fieldwork

- Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.
- Use the eight points of a compass, four and six-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom and the wider world.
- Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plan and graphs, and digital technologies.

Final outcome

Children to create an interactive map of the local area - Children given a different square of an OS map to represent in a 3D way – junk model, lego, origami, clay etc

Maps

Year 6 – Spring 2
