

Location, Location, Location

Geography

In this topic will be learning about the area of the country that we live in, starting with the South East region, then looking at the town of Farnham and finishing by undertaking a study of Tilford and the town or village that they live in.

On 5th June we will be visiting West Tisted Estate in Hampshire for our Countryside Day.

English

We will be reading a range of poems from traditional and performance poetry and even writing our own raps.

The children will also be studying persuasive writing and writing persuasive letters.

Art & DT

We will be developing our sketching and watercolour techniques by painting landscapes in the village of Tilford.

Music

This term we will be studying the composer Mozart and listening to Rock n Roll and the music of Elvis Presley.

RE

This term we will be exploring Judaism, looking at the synagogue, the Torah and Jewish festivals. We will also have a visit from a Rabbi.

P.E. & Games

This term we will be starting swimming lessons again. We will also be playing cricket and rounders on the field.

Science

We will be learning about light and shadows, recognising that we light to see things. We will also studying how shadows are formed and look at the patterns in the way that the size of shadows change.

Maths

Fractions: finding unit fractions of a set of objects and numbers, investigating non-unit fractions, compare and order fractions, placing fractions on a number line.

Time: read and write the time to the minute on 12 hour analogue and digital clocks, use seconds, minutes and hours to estimate, compare and measure time, find the time taken to complete a task or event.

Revision of written methods across the four number operations
Revising & recalling 3, 4 and 8 times tables.

Home Learning Ideas

Please encourage the children to look at the area you live in. The children will be completing a 3 week project about their home town or village.
