What we will do: Play voice & confidence – building games, Try story-telling, impromptu speaking & show & tell, Explore exciting themes like debates, teamwork, and speeches, Build skills, make friends and have fun!

Why it matters: Helps children grow in confidence, think more clearly, & express their ideas with pride. It strengthens communication, listening, & leadership skills while building confidence and self-belief. Through fun activities & supportive practice, children learn to speak up, work with others & discover just how capable they really are.

Let's help children find their voice – and use it with pride!
