

SPRING TERM 2026

Waverley Abbey

Junior School Clubs

CLUBS AT WAVERLEY ABBEY

Welcome to the spring term clubs programme at Waverley Abbey Junior School! We are very excited to bring you a range of exciting and engaging clubs both during school time from our brilliant teachers, and after school via our specially selected club partners.

This term we are introducing another new club to our programme – we're pleased to bring our children the option to sign up to the '**Mad Science**' after school club on a Friday.

We hope your child/children will be able to take up one or more of these clubs – whether they are continuing from their interests from the winter term, or they are finding that their curiosity navigates them towards something new.

On the following pages, you will find all the details you need to book your child/children into one or more clubs on offer. Please look out for sign up details for teacher led clubs. All other clubs can be booked directly with our external club organisations. We've put together some additional helpful tips on the following page.

We hope your child/children find these clubs enriching experiences.

Mrs Marshall
Head Teacher

THINGS TO KEEP IN MIND

Teacher Led Clubs

- Teacher led clubs commence week beginning 12th January and end week beginning 16th March.
- Lunchtime clubs led by teachers are £1 for the entire term, and places need to be booked via Scopay so that teachers can keep an eye on numbers.
- After school clubs led by teachers are £25 per child for the entire term.
- Teacher led clubs with limited spaces can be booked via Scopay.
- Please note there will be no teacher led clubs during the week the school has parents evening.

External Clubs

- Externally led clubs need to be booked directly, you will find all contact details within this programme guide, and also on the flyers which are saved on our [website](#). The School Office can not book your child's place on externally led clubs. You must contact clubs directly.
- Please pay careful attention to start and end dates of all external clubs as these differ for everyone.
- If your child is not attending a club run by our external partners, please contact them directly to let them know they will be absent. We also ask that you inform your child's teacher via their home contact book.
- External clubs will update you on any changes that may affect the running of their club on a particular day.
