

SUMMER TERM 2026

Waverley Abbey Junior School Clubs

CLUBS AT WAVERLEY ABBEY

Welcome to the Summer Term 2026 clubs programme at Waverley Abbey Junior School!

We are delighted to offer a wide range of exciting and engaging clubs; some taking place during the school day with our fantastic teaching staff, and others running after school through our carefully selected club partners.

We hope your child will enjoy taking part in one or more of these clubs, whether they are continuing a passion from the spring term or ready to explore something new that sparks their curiosity.

In the following pages, you'll find all the information you need to book your child into the clubs available this term. Please look out for sign-up details for teacher-led clubs. All other clubs can be booked directly with the external organisations that run them. We've also included some helpful tips on the next page to support you with the booking process.

We hope your child finds these clubs fulfilling and enriching experiences.

THINGS TO KEEP IN MIND

Teacher Led Clubs

- Teacher led clubs commence week beginning 13th April and end week beginning 6th July.
- Lunchtime clubs led by teachers are £1 for the entire term, and places need to be booked via Scopay so that teachers can keep an eye on numbers.
- Teacher led clubs with limited spaces can be booked via Scopay.
- Please check the individual club listings for dates when Teacher Led clubs will not be running.

External Clubs

- Externally led clubs need to be booked directly, you will find all contact details within this programme guide, and also on the flyers which are saved on our [website](#). The School Office can not book your child's place on externally led clubs. You must contact clubs directly.
- Please pay careful attention to start and end dates of all external clubs as these differ for everyone.
- If your child is not attending a club run by our external partners, please contact them directly to let them know they will be absent. We also ask that you inform your child's teacher via their home contact book.
- External clubs will update you on any changes that may affect the running of their club on a particular day.
