Homework

- **Home learning** alternates between Maths (MyMaths) and English (Teams). It is set on a Thursday and due the following Wednesday.
- **TT rockstars** – your child will have a set number of games each week – set Wednesday to Wednesday. This will change through the year as their tables improve
- **Reading** – your child needs to be reading to an adult 3 x a week at home. Reading records checked on a Friday.

Please let us know if your child will have difficulty accessing the internet for homework. Homework club is run every day at lunchtime to support if required.

Multiplication Check

- Times Tables Rockstars
- Daily practice at home is key to securing tables
- At the end of Year 4 all pupils in the UK will complete a MTC (multiplication times check). This involves the children answering a set of 25 questions in which they have 6 seconds to answer. This is exactly the same as the soundcheck on TTRockstars.
- To pass, children need to score 25/25

Children's login details in home contact books.

If your child struggles with TT rockstars, please speak to their class teacher

Morning drop off

- For the safety of all children, it is crucial that children are not left unattended on the school site until 8:20am, when a member of staff will be present to open the school gate and welcome the children.
- If you need to drop your child off earlier than this time, we recommend arranging suitable supervision or for them to attend breakfast club until the school gate is opened.

Hometime – 3:20pm
