The School Day

- ❑ Children should not arrive at school before 8.20am
- ❑ For the safety of all children, it is crucial that children are not left unattended on the school site until 8:20am, when a member of staff will be present to open the school gate and welcome the children. The school site is a busy place with cars driving through, and it is essential that children are under our supervision to ensure their safety.
- ❑ We understand that mornings can be busy, but we kindly ask for your cooperation in ensuring that your child arrives at school after 8:20am when a member of staff is on duty. If you need to drop your child off earlier than this time, we recommend arranging suitable supervision or for them to attend breakfast club until the school gate is opened
- ❑ Register is at 8.35am
- ❑ Lunch is from 12.20 – 1.15pm
- ❑ School ends at 3.15pm

Below the globe, a pair of hands holds a small potted plant. To the right, another globe is shown being held up by several small figures. In the top right corner, there is a small blue square containing a white cross and red decorative elements.

WAVERLEY ABBEY GLOBAL CITIZENSHIP AWARD

The Waverley Abbey Global Citizenship Award Key information

The award is open to Year 5 students only.

The award spans the whole year. Children can sign up in Autumn term and the deadline to complete all sections will be May half term.

Some sections will be completed in school curriculum time. Other sections will be completed in children's own time.

The award consists of three sections: Joint projects and shared learning with Thundu School Malawi; an in depth language and culture study demonstrated in a presentation; courageous advocacy – use your voice to make a change.

All children who successfully complete the challenge will earn a certificate and a badge which they can wear on their uniform. There will be a presentation evening to celebrate which the families of all children who complete the challenge will be invited to attend.

Entry to the award costs £5. This will cover the cost of a certificate, badge and presentation evening. Any money left over after this will be used to fund the Thundu Waverley link and container collection.

There will be several 'check-in' points throughout the year where children can come and show us what they have achieved so far, have sections of their award to be signed off and ask for support.

There is an award that Year 5 will be able to work towards this year.

Mrs Marriott / Mrs Duncan will be running this award and will send out further information shortly.

The children will have a booklet to help them work through this award.

We will let you know when the sign up is open.
