School Vision and Values

Every member of Waverley Abbey School is known and loved by God and within our school family. Our vision is for each child to fulfil their God-given potential. We want children to leave having grown in love, courage and hope; being well established on their spiritual journey.

Our Christian values permeate the life of the school. As we go through the day the children and adults aim to live out these values, deepening their meaning and showing them in many practical ways.

- Hope - At Waverley Abbey this helps us to persevere, even when things get tough and when we face new challenges.
- Love - We aim to show love to everyone by thinking before we act, respecting others (even when their opinion differs from ours) and being kind.
- Courage - We have courage to stand against injustice and are committed to what is right and true.
