Year 6

- Role models – including uniform (please keep winter uniform for end of year Cathedral Service), behaviour
- Independence – being prepared, organised and responsible (P.E kit, getting home, planners, homework)
- Hard work – it is a demanding year, but we do our best to make it as enjoyable as possible.

Mobile Phones

We request that mobile phones are not brought to school however we recognise that there may be occasions where it is necessary, for instance, if a pupil walks to school unaccompanied or they are being collected by a different carer.

Should they be brought into school, all mobile phones must be handed in at the school office, unless prior permission has been granted in the case of a specific medical need.

Mobile phones should be turned off before arriving at school (i.e. in the car or at the gate if walking).

At no time should pupils be using their mobile phones during the school day, including at the end of the day before leaving the school site.

If a pupil breaches this policy, then the phone will be confiscated and held at the office. It will then need to be collected by a parent or carer at the end of the school day.

Uniform

We expect children to be proud of their uniform, keeping it tidy and taking care of it. Full details of uniform expectations can be found on our school website:

<https://www.waverley-abbey.surrey.sch.uk/page/?title=School+Uniform&pid=40>

Shirts tucked in.

Hair should be tied or held back if it falls over the face (boys and girls); hair bands should be simple blue or black bands.

Jewellery and nail polish should not be worn to school (apart from simple studs if ears are pierced which need to be removed for P.E/games and swimming).

Please ensure all uniform is named so that it can be returned quickly to your child. We ask that you encourage your child to look for any lost items throughout the year.

PE kit

PE (Mr Cassim and teacher led) will be outside in all weathers. The children must have:

- Dark tracksuit bottoms or leggings
- Dark blue/black jumper
- gloves and hats once winter sets in!

PE kit should be in school every day and brought in on a Monday.

Please wait until the summer holidays to pierce any ears!

FORGOTTEN PE KIT x 2 = parents notified

If PE kit is forgotten, pupils will complete a written activity related to the lesson.

Planners

We use planners in Y6 as part of the transition process.

Children are expected to have them on their desks every day.

They are used for recording:

- Homework
- Reading record
- Reminders
- Notes from parents/teachers (replaces home contact books)

They are also a great reference tool for children in lessons and at home. Please spend some time looking through your child's planner with them.

It is composed of five elements:

- sport,
- community service,
- life skills,
- WA essential skills,
- expedition

If you would like to find out more, Miss Brett will be giving a brief run through (10mins) after this meeting in the hall.

Contacting or speaking to class teacher

Use the planner to write notes as a form of communication with your class teacher.

Please let us know if there are any changes to going home- this will avoid any end of day phone calls to check.

The planner is a two way communication system- we often put notes and reminders in. Year 6 are expected to keep their planner up to date themselves.

If you need to discuss something with your class teacher, please arrange a time/make an appointment to talk to them.

Any email correspondence needs to be sent via info@waverley-abbey.surrey.sch.uk
