Dear parents/ carers,

Today we are sending home a Survey Monkey regarding your child/ren's access to IT at home.

Whilst we are optimistic that our children will be able to remain in school at all times, it is important that we also make effective preparations should there be a bubble closure or local lockdown, further along in time. The focus of this survey is to ascertain what electronic equipment there is at home and then whether children have shared or sole use of the equipment. Please be reassured that this survey is non-judgemental. Equally we are not recommending that families need to purchase additional IT equipment. Once we have a greater understanding of your child/ren's access, we can then ensure that the online learning is right for the vast majority of our children should the need arise.

The survey link is as follows <https://www.surveymonkey.co.uk/r/WNMKXNK>

The survey contains 4 questions and should take no more than a few minutes of your time. Please note the closing date for the survey is 7am Monday 21st September. Thank you for your support in this matter.

Kind regards,

Mrs R Marshall
Headteacher
