

Dear Parents,

We are delighted to announce that Genie Science club at Waverley Abbey will be running again from the Summer term.

**Check out our promotional video to give you an idea of what we do...**

<https://vimeo.com/524279300/2d1ed8e9ca>

**For Year 3, the club will be held on a Wednesday after school from Wednesday 21<sup>st</sup> April until 14<sup>th</sup> July (12 sessions)**

**For Year 4 the club will be held on a Thursday after school from Thursday 22<sup>nd</sup> April until 15<sup>th</sup> July (12 sessions)**

**The cost for 12 sessions will be £108. To book and make payment, please go to: [www.bookwhen.com/genielab](http://www.bookwhen.com/genielab)**

**What else do we do...?**

We cover loads of science topics from pressure, chemical reactions, bubbleology and rocketry to hovercrafts, sound and optical illusion! Examples of the makes our children bring home include telegraphs, torches, Hex bugs, lava lamps and balloon powered cars. They also often work collaboratively in areas such as construction and design, in the past making their very own leaning Tower of Pisa!

In our years of experience, we have found that nothing can resonate better with children than a nurturing environment where they are able to get completely hands on and not be afraid to learn through trial and error. Skills learnt through our programme include communication and team work, analysing, data interpretation, hypothesising, measuring and classifying to name just a few.

Look forward to seeing you!

Genie Lab Team
