## About Showshack:

Showshack is a fun and creative performing arts school, based in Farnham with a large team of professional staff. We have been helping children gain confidence, make friends and build essential life skills for over 25 years. Whether it's improving articulation, learning to work as part of a team or even speak in front of a crowd, our classes from age 2-16 can improve these skills through acting, singing and dancing. The skills gained from these disciplines are proven to help not just in performing but in many other aspects of life, helping even the shyest of children grow and gain in confidence.

**Our aims** • We provide excellent quality, fully accredited Performing Arts programmes to schools. Showshack's courses are designed to capture students imaginations and develop key skills and knowledge whilst maintaining their enthusiasm. We remember that learning should be fun!

**Syllabus** • The specially devised syllabus for schools is based on the three disciplines of Musical Theatre, Dance; Drama and Song. Our teaching material contains all the necessary key skills, presenting the material in an up-beat and informative manner.

**Performances** • Performances are held at the end of each term as parent viewings (Covid restrictions allowing). The children may from time to time perform during a school assembly demonstrating the skills they have acquired. It is an essential part of their learning to perform in front of others. Children may wish to enrol on our accredited LAMDA (London Academy of Music and Dramatic Art) individual or duo lessons. These also take place at Waverley Abbey - please contact the Showshack office on 01252 723956 for further information.

**Our tutors** • All Showshack tutors are fully checked for their suitability for the role - this includes a police check via an enhanced disclosure from the Disclosure and Barring Service (DBS).

**Fees** • Fees are £165 per term (£15.00 per session) payable in advance each term. Spring Term is 11 weeks.
